

INSTRUCCIONES DE REMANUFACTURACION DE LOS CARTUCHOS HP (P1215) • 1518

14. En el lado del engranaje de la cavidad, remueva el tornillo y la cubierta lateral interior. Con cuidado libere está cubierta lateral. Utilice un desarmador pequeño si es necesario para liberar la cubierta lateral del pin de plástico que se rompió antes. Observe el ensamblaje del brazo del resorte. Pienso que este brazo es parte del sistema de detección del cartucho pero no se mencionada nada en el manual de servicio. Los sensores están escondidos detrás la cinta de transferencia en la maquina. Investigaremos el proposito, pero por ahora, es solo una suposición.

15. En este momento, mientras esta firme, puede limpiar y llenar la cavidad con el tóner 1215.

Using the online preview, you can quickly view the contents and go to the page where you will find the solution to your problem with HP HewlettPackard Color LaserJet CP1215. To start viewing the user manual HP HewlettPackard Color LaserJet CP1215 on full screen, use the button Fullscreen. However, if you do not want to take up too much of your disk space, you can always download it in the future from ManualsBase. The option to print the manual has also been provided, and you can use it by clicking the link above Print the manual. You do not have to print the entire manual HP HewlettPackard Color LaserJet CP1215 but the selected pages only. paper. If you want to quickly view the content of pages found on the following pages of the manual, you can use them. Achieve high quality colour laser printing with the new generation HP ColorSphere toner, HP ImageREt 2400 and HP specialty papers. Together, they enable highimpact business communications to be created inhouse.

30% higher gloss levels for more Consistently vibThe Time To Completion TTC of a conserves office make the most of any work space without energy typical office print job is 2 times faster from low space compromising on print quality. And be. As you can see from the comparison chart below, this HP is drastically outgunned by the rest of the competition in almost all of our tests, with the exception of color graphics and color textthat unfortunate loss went to the Samsung CLP315W. The HP CP1215 didnt do much better, though, registering only 5.36 pages of color text per minute PPM, in contrast to the HP CP2025n on the opposite end at 10.43ppm. The extreme difference in output speed is unacceptable, and youll likely find yourself increasingly frustrated with waiting for this thing to spit out color. While the output speed leaves a great deal to be desired, HP still manages to present wellformed black and color text with sharp edges and even shading across dense graphics. As is typical for a color laser, the CP1215 could use improvement in smoothing out blotchy gradations, and we did see banding in some of the fine details, but the majority of the photo elements came out nicely saturated with natural color. Overall, the HP LaserJet CP1215s print quality is definitely good enough for small offices that mainly print out text with an occasional

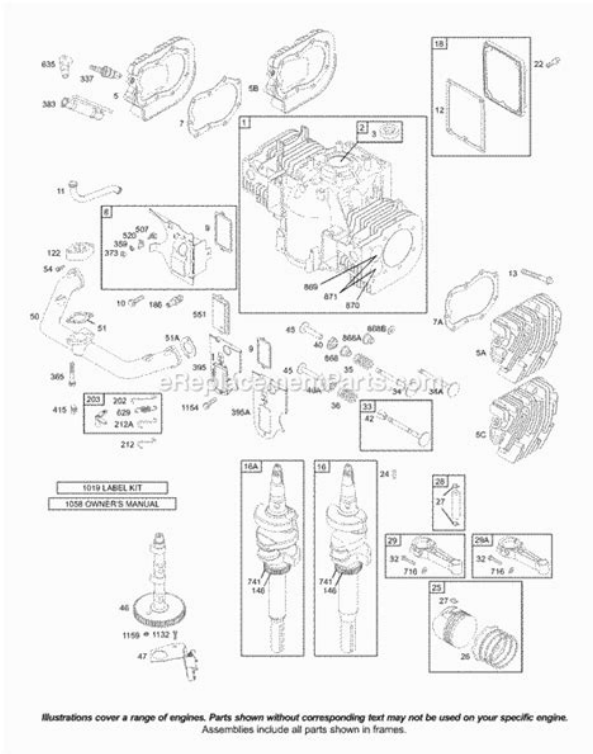

presentation thrown in, but larger offices with heavier photographic workloads might prefer the quality that only an inkjet printer can provide. Find out more about how we test printers. Performance We were generally satisfied and slightly bored with the CP1215 until we tested its output speed, the results of. HP Color LaserJet CP1210 Printer Series MindMachine HP Color

LaserJet CP1210 Printer Series. A colour laser printer in a very compact form with high quality output. The CP1210 series uses an inline arrangement of four cartridges to give speeds of 8 pages per minute in colour and 12 ppm for mono print. 16.69MB HP COLOR LASERJET 1500 2500 PRINTER PRINTER SERVICE REPAIR MANUAL review is a very simple task. Yet, how many people can be lazy to read. They prefer to invest their idle time to talk or hang out.
